DESCRIPTION

AutoCAD® and AutoCAD LT® Level I Introduction is a two-day introductory class that has been developed to provide attendees with the skills necessary to create and modify AutoCAD® or AutoCAD LT® drawings. This course is intended for individuals who need to use AutoCAD® or AutoCAD LT® occasionally for minor editing of existing 2D drawings. Anyone planning to use AutoCAD® or AutoCAD LT® for daily production work that includes the creation of new drawings should strongly consider the Level I: Essentials class as it provides the student a greater amount of face-to-face time with their Autodesk Certified Instructor, additional topics to support drawing creation and most importantly; more practice time.
